## SUMMARY

Experienced MERN Stack web developer with a solid background in building scalable, high-performance applications. In addition to full-stack development, I have hands-on experience as a freelance game developer, working with international clients on Unity-based projects. Focused on delivering clean, maintainable code and continuously advancing technical skills to contribute to impactful, long-term projects.

## SKILLS

- **Frontend** - Javascript, React Js, Next Js, Redux, Tailwind CSS
